Ground Floor

Step into the welcoming dining room, where a bay window bathes the space in natural light, and a feature fireplace with built-in cabinetry to the chimney breast adds elegance and practicality. From here, stairs rise to the first floor, while a discreet cloakroom/WC adds everyday convenience.

The property then opens into a stunning kitchen/breakfast/living area — a true showpiece of the home. This open-plan space features a central island unit, fitted units with integrated appliances, and carefully chosen design touches, including a casement window overlooking the garden, a skylight, and French doors that connect indoor living with the landscaped rear garden beyond.

First Floor

Upstairs, a spacious landing leads to the principal bedroom at the front of the house, complete with built-in wardrobes. The guest bedroom to the rear also benefits from fitted storage, while the luxurious family bathroom features a bathtub and a separate walk-in shower, all finished to a premium standard.

Exterior & Garden

The front garden is set behind a brick wall with railing and a Victorian-style tiled checkered pathway leading to the front door, offering a charming first impression.
