25 Friars Road Ware, SG11 2NN

The approach immediately impresses. A landscaped carriage driveway finished in block paving provides generous parking and access to the garage, framing the property perfectly and creating an attractive frontage.

The entrance hall is welcoming and practical, with access to a cloakroom/WC, a useful built in storage cupboard and a separate utility room with door to the side garden. The layout has been thoughtfully designed for day to day family life.

The living room is a lovely size and flows naturally into a large conservatory garden room, a superb additional reception space that makes the most of the garden views and provides direct access outside. The kitchen breakfast room is equally impressive, fitted with a range of cupboards and units and offering ample space for a table. Windows and a door open onto the garden, and there is an easy connection through to the formal dining room, ideal for entertaining or a playroom.

Upstairs, the sense of light and space continues. The landing features a window to the front with open views across fields, a reminder of the home's enviable setting. The main bedroom benefits from built in wardrobes and an en suite shower room. A guest bedroom also enjoys built in wardrobes and its own en suite. Two further double bedrooms, one a double and one a single, both with built in wardrobes, are served by the family bathroom.

The wrap around garden is a true highlight and has clearly been lovingly maintained. Extending from the conservatory, the garden offers excellent privacy with mature, well stocked flower beds, a generous lawn, and a sunken seating area to the rear. A raised garden pond creates an attractive focal point, and a gate provides direct access to the allotments behind, adding to the semi rural feel that makes this home so appealing.

A wonderful family home in an exceptional village setting, combining views, space and privacy in equal measure.
