11 Wicklands Road Ware, SG12 8PD

The long gravel drive sweeps across the front of the property, creating a strong sense of arrival. Landscaped frontage and driveway offer excellent kerb appeal, generous off street parking and EV charging. A smart porch leads into a welcoming hall with wooden flooring, under stair storage, cloakroom/WC and stairs to the first floor.

From the hall, you enter a superb open plan living space used as both lounge and playroom. Dual aspect windows and wood flooring create a bright, flexible family area. Bi folding doors connect to the dining room, while a separate door leads into the kitchen.

The kitchen is designed for modern family life and entertaining, with quartz worktops, breakfast bar, integrated appliances and sleek tiled flooring. Side windows and bi folding doors flood the room with light and open onto the terrace and garden. The kitchen flows into the dining room, complete with skylight and further bi folding doors, forming the heart of the home.

The ground floor also includes a home office, utility room and highly practical boot room. Bedroom five and a contemporary shower room sit in this section, creating an ideal annexe, teenage suite, relative's accommodation or potential work from home space.

Upstairs are four well proportioned bedrooms, a family bathroom and an additional shower room, offering excellent flexibility for growing families.

Solar panels with battery storage improve energy efficiency and reduce running costs.
