## Queen Alexandra House 2 Bluecoats Avenue Herford, SG14 1PB

This outstanding apartment forms part of a thoughtfully converted building, finished to an exceptional standard throughout. The design blends character with contemporary living, featuring high-quality fixtures, elegant detailing, and a specification that comfortably sits above the typical standard for similar properties. The living space is both stylish and functional, complemented by a well-appointed kitchen fitted with premium BOSCH appliances, and a bedroom designed for comfort and practicality.

The building itself delivers a real sense of individuality, with impressive communal areas and a finish that reflects careful attention to detail. Its location is particularly compelling for commuters, with excellent links into London available from nearby stations. The building has video entry system.

Externally, the property benefits from an allocated parking space within the private grounds, something rarely available in such a central location. Further advantages include a private basement storage room, ideal for bicycles and additional belongings.

An often overlooked but highly valuable feature is the residents' right to manage the building. This provides genuine control over how the development is run, including maintenance standards and associated costs, giving owners a level of influence that is not commonly found.
