The ground floor is particularly impressive, with an entrance porch, a bright and welcoming living room centred around an attractive exposed brick fireplace with wood-burning stove, creating a warm and characterful focal point. The space flows effortlessly through to the rear kitchen/dining room, which has been thoughtfully updated with shaker-style cabinetry, solid wood worktops, several integrated appliances and ample space for dining, all enjoying views across the landscaped rear garden.

An inner hall leads to a modern shower room and stairs to the first floor.

The first floor offers two generous double bedrooms, both beautifully presented and filled with natural light. Stairs rise again to the top floor where you find a loft room with Velux windows.

Externally, the property continues to impress with a landscaped rear garden featuring a paved patio, raised sleeper borders and rear pedestrian access, ideal for outdoor dining and entertaining. To the front, the attractive brick façade and cottage-style setting perfectly complement the charm of the surrounding street scene.

Oldhall Street is ideally positioned within walking distance of Hertford town centre, Hertford East and Hertford North stations, highly regarded local schooling and an excellent selection of cafés, restaurants and riverside walks. A wonderful opportunity to acquire a stylish period home in one of Hertford's most desirable locations. Early viewing is highly recommended.
